"This loose talk about RED CROWN is started by pixilated people"

"STANDARD Red Crown gives 150 miles a gallon and not a fraction more!" continued Mrs. Popnew, affectionately called "Pixie" by her host of friends in Tall Story circles.

She added: "To stop this loose talk I put my foot down. Unfortunately, it was on the accelerator and the car kept on into the next precinct. Red Crown is responsive!"

We have more than a faint suspicion that "Pixie" is indulging in slightly loose talk herself. Standard Red Crown does give as long mileage as any gasoline—possibly more—but definitely not 150 miles per gallon!

As a matter of fact, hundreds of thousands of motorists are now learning, first hand, the bedrock truth about gasoline mileage in the World's Greatest Road Test, and even though you may not be driving one of the Research Test Cars, it will pay you to...

Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVALANCHE OF 23 YEARS AGO

Thursday, August 11, 1913

Grayling baseball team, won two games from Buick-Three, of Flint, Saturday and Sunday. The team held the visitors to one run Saturday and Dodge blanked them Sunday. The popularity of the Grayling and Tom Stevens base ball teams has caused such widespread interest in the big games that are to be played here next Saturday, Sunday and Monday that the railroads running into this city have been prompt in taking advantage of the opportunity and are going to run special trains Sunday to accommodate those wishing to attend.

While endeavoring to couple a car onto a moving train, Alfred Arthur got his foot caught in the track and fell across the rail, the two wheels of the car passing over his body, killing him almost instantly, just Friday near Fredonia. The young man was 25 years old and the son of Mrs. Seven Arthur. Other survivors are four sisters and one brother, Samuel, Jarlette, Clara, Mrs. Florence Powell and Mrs. Elizabeth Martin.

Miss Margaret Hanson returned from Bay View the first of the week after a several weeks' outing.

Red McKee, well known to Grayling fans, is making his way in the big league.

Down Stream

We wish to thank Jack Red, head for writing this column last week and for doing such a fine job. Although we didn't meet Mr. Winchell as Mr. Redhead predicted, we found out a lot about his style and would like to attempt writing this column in a Winchell manner.

FLASH! O.K. AMERICA, O.K. GRAYLING, O.K. TOOTS!

Will Grayling have its traditional canoe carnival this year or not? There seems to be a lot of talk about one but no action.

Flash! The biggest fish caught in Crawford county this year is a thirty-one inch brown trout caught in the little Manistee river on a buck-tail fly. Who says worms are the best bait?

Flash! Campers Blair, Folsom, Keys, and friend caught their limits Friday and Saturday near Stephan's bridge.

Flash! Mr. and Mrs. Thomas Hilton and son spent the week end at Mrs. J. Knecht's. Also Mr. and Mrs. Golden from Detroit. Mrs. Knecht says business is good.

Flash! Mr. and Mrs. Norval Stedman visited Mike Tyndel and wife at Ladington last week end. Flash! Mr. Thomas Goodhart, Mr. Earl Nucum, and a friend are staying at the Gosline cabin for the week.

Flash! George Knecht reports that the small trout in the AuSable rearing pond are doing well. The rearing pond is financed by the fishermen who own cabins along the AuSable and could be in no better hands than those of George Knecht.

Flash! Ministers are good fishermen too, for last week Doctor Butterick, one of New York's most prominent clergymen, fished the river with a friend, Mr. Matteson from Foreman, Arkansas, and caught thirteen good-sized fish.

Flash! Staying at the Hendersons were Mr. and Mrs. Cabell from Armada, Michigan, and Mrs. Hazelwood from Elkhart, Indiana. This week Prospector Benedict and his brother, Ben, from Port Huron, are visiting the Hendersons. Also Judge Atkins is up for the week. It looks like Don is going into the hotel business.

Flash! Two new cabins are

In the "best ball match" between Roy O. Milnes and Bill St. Johns against Charles Nix, Texas, the amateur champion and Bill Milnes, go at West Branch, resulted in victory for the Grayling players. The match was played Wednesday afternoon at the Grayling club course. The and score on hole won a point. At the end of the 18 hole, Grayling players were leading by two strokes. Milnes turned in a score of 71 and St. Johns had 75. Nix had a score of 75 and his partner, Miller, had 77.

In the forenoon, Miller broke a 4-hole bird hole record with 32. He had five birdies and 14 pars.

Wednesday was guest day at the club house. Twenty Grayling ladies were here as well as many other guests. In the golf tournament with Grayling, the Grayling club won by 21 to 2 points. Mrs. Peg Murray held the high score for Grayling, and Mrs. E. D. Stewardson held the high score for Grayling.

There were seven tables of contract in play in the afternoon. Mrs. G. H. Giffman of Gaylord, and Mrs. Ben Kraus of Elkhorn, Wis., held the high scores.

Bill St. Johns, our Pro, had a birthday Wednesday and several of his friends made the day happy for him by presenting him with gifts. Bill opened the gifts before quite a bunch and the poetry accompanying the gift as well as the gift, brought out bursts of laughter and applause. "Many happy returns," Bill.

Next Wednesday, the Ladies Auxiliary will have a pot luck luncheon which no doubt will be the last for this season.

WHO'S HOT?

NOT A BUICK OWNER!

THE coolest people in town—the happiest and most carefree—are those who drive Buicks. We've lately delivered one of these Buick Specials.

Some were those Venturians—men of good down-smiling, in the 1936 Special—and some were the original Buick made in Detroit.

There's no reason to be nervous about the quiet, smooth road, smooth engine, smooth effort to the handling. We've yet to find a Buick that can't draw a puff of paint from the exhaust.

It's the Buick that's the Buick. It's the Buick that's the Buick. It's the Buick that's the Buick. We can make your Buick—arranged at your own risk—your Buick. We can make your Buick—arranged at your own risk—your Buick. We can make your Buick—arranged at your own risk—your Buick.

Tax-payers:

If your back taxes
are on 10-year plan
you must make 2nd
payment by Sept. 1

ONLY A FEW DAYS remain in which you can make the second payment on your taxes on the 10-year plan without penalty.

Keep your tax record clear.

All over the state of Michigan alert tax-payers are meeting this important obligation. Having placed their taxes for 1935 and prior years on this convenient plan they will take no chance in losing the fullest benefits accruing to them under it.

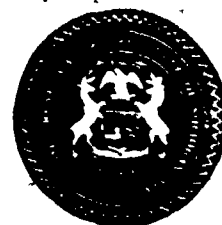

Don't fall behind. Make your second payment promptly. Or better still, pay up the entire unpaid portion of these taxes and

save interest on future installments ranging from \$1.00 to \$50.00. See your county treasurer immediately. And if last minute crowds, pay now and save.

Note:

There is a 10% discount on the taxes for 1935 and 1936 if you pay them by Sept. 1.

ANY tax payer can come under the 10-year plan of the 10-year plan by making the first two payments together with interest of 4% and a 10% discount on the first installment. Your county treasurer will be glad to explain how you can keep your tax record clear. See him immediately.
